The First Ascent

The West Slope is a beautiful area and just as beautiful to climb. The route is a first ascent route and it is an extremely difficult climb. The route is a first ascent route and it is an extremely difficult climb. The route is a first ascent route and it is an extremely difficult climb.

MISSION AND VISION

MISSION STATEMENT
The West Slope Colorado Oil & Gas Association (WSCOGA) exists to promote development of oil and natural gas in Western Colorado. WSCOGA strives to educate stakeholders, encourage technology enhancements and foster environmental stewardship. The initiatives of WSCOGA seek to advance Western Colorado's global status and importance as a producer of oil and natural gas.

VISION STATEMENT
World-class reserves of natural gas exist in Western Colorado. The West Slope Colorado Oil & Gas Association envisions a future where technology and innovation continue driving increased development of Western Colorado's natural gas and oil. Meaningful environmental stewardship, strong stakeholder relationships and long-term commitments to the communities where WSCOGA members live and work are principles valued by WSCOGA. Commitment to such principles will advance Western Colorado's continued importance as a producer of local oil and natural gas resources.

LETTER FROM THE DIRECTOR

Dear Fruita Community,

100,000 paid visits and counting! In less than a half a year of operations, the Fruita Community Center has been very popular – we actually like to say “well-loved”. We are extremely pleased that the community, not just Fruita but the Grand Valley, has come out to swim, play basketball, or take an exercise class. Staff at the FCC will continue to work toward providing you with a clean and safe facility as well as a great experience. We want to make sure you love the fabulous facility.

Water – Aerobics

Water – Aerobics
Location: Fruita Community Center
Water is a fun and relaxing way to stay fit. Class is held in the hot tub or in the shallow end of the Lap Pool. Fee is \$1.00 per class, or purchase 40 punches for \$30.00 (Entry to the Community Center).

Speech 1 – Circle One – A class designed to give you a GREAT cardiovascular workout using resistance of the water to increase intensity but also keep you safe. Class is held in the shallow end of the Lap Pool. Class is offered on Monday, Wednesday and Friday at 8:30am in the shallow end of the Lap Pool.

Speech 2 – Circle Two – Same great workout as Speech 1, just a little more intensity. Class consists of approximately 5 minutes of warm-up, 25 minutes of cardiovascular conditioning, 15 minutes of toning and 10 minutes of warm-down. Class is offered Monday, Wednesday and Friday at 9:15am in the shallow end of the Lap Pool.

Express Breath – You'll get it all with this class. Some cardiovascular conditioning, toning core conditioning, Pilates and other surprises all while participating in proper breathing techniques. Class is offered Monday and Wednesday 11:30am-12:30pm in the Lap Pool. Fee and materials are included.

YOGA Strength – An invigorating workout in this class just using the water resistance to build muscle strength and flexibility. We'll just use the "lap" in this case. Class is offered Monday and Wednesday 5:30am-7:00am in the shallow end of the Lap Pool.

HydroPunch – Just like the name says! This class is designed to provide a powerful cardiovascular workout. Don't think because you're in the shallow end you can't get a workout. Class is offered Monday and Wednesday 5:45pm-6:30pm in the Lap Pool.

The Deep End – Our highest intensity class! Slip on a flotation belt and join us in the deep end. A variety of moves such as kick-boating, toning and weight lifting will be used to keep your heart rate, strengthen abdominal muscles and burn calories. Class is offered Tuesday and Thursday nights 5:45pm-6:30pm in the Lap Pool.

There is no class the week of November 21st.
Please plan ahead so that you don't miss a class. If you are unable to attend a class, please call the office to let us know. We will have a wait list for that class but this does not guarantee your child's placement in a class. Sorry, no refunds or make-ups for missed lessons. In the event of a class cancellation, a make-up class will be scheduled.
